Sri Lanka's first-ever exclusive Wallpaper and 3D wall tiles company Wall Art announced the launch of its new wallpaper and wall decal collection for children. The new collection includes wallpaper and wallpaper borders with popular children's characters in colours and designs suitable for both girls' and boys' bedrooms. Parents can opt to wallpaper all four walls or to highlight a feature wall.

Kishani Kaluarachchi, Managing Director, said "Wall Art recognized the demand for kids' wall décor following the large number of requests from parents looking for new design options for their children's rooms. As a result we are happy today to launch the kids range. We have over 50 designs to choose from and a variety of characters and colours to blend with the furniture."

In addition, Wall Art Pvt Ltd has launched sets of wall stickers - known as wall decals - to their new line for kids. Wall decals are available for parents who want a quick and economical solution to brighten up the walls of their kids' rooms. The collection of wall decals include those with popular characters such as Transformers and Disney Princesses and are of the highest quality sourced from the U.S.

Wall Art is the only exclusive retailer of globally renowned wallpaper brands in Sri Lanka offering over 1,000 wallpaper designs of the highest quality to suit any mood or budget. Other features include durability (of over 10 years), washable, no colour fading, quick installation and eco-friendliness (all products).

Wall Art offers free installation services with all purchases of wallpaper or borders. All wallpaper adhesives are imported from Europe to ensure that the highest standards are maintained.

In addition Wall Art provides other design options such as 3D tiles for walls with over 20 designs - ideal for hotels, restaurants, bars,

shopping malls, apartment complexes and homes.
